The Tides Beach Club, Kennebunkport

Airy and unabashedly chic, [The Tides Beach Club](#) is the only hotel on [Kennebunkport's](#) sandy-white Goose Rocks Beach, which hugs two stunning miles of island-dotted Atlantic. With the lovely structural lines of a Victorian inn and decor fashioned to appeal to this century's beachgoers—including two oceanfront suites styled by designer Jonathan Adler—you'll feel captivated the moment you step onto the oceanview front porch. [Fruit-infused cocktails](#) and fresh reinventions of classic [Maine seafood dishes](#) make The TBC a happy hour and dining destination, too.
