Planning a coastal Maine vacation or weekend getaway? Prefer your R&R with an ocean view? Find the perfect escape with our roundup of *Yankee's* favorite seaside inns and oceanfront hotels in Maine. Naturally, with a coast as long as the Pine Tree State's, there are too many worthy oceanfront spots to include them all, so we limited our list to inns and hotels recently featured in the pages of *Yankee* or on NewEngland.com. If we missed your favorite, we hope you'll add it to the comments below.

The Tides Beach Club, Kennebunkport | Favorite Oceanfront Hotels in Maine

THE TIDES BEACH CLUB | KENNEBUNKPORT

It's hard to decide what to love most at this upscale yet casual boutique inn: the broad, breeze-loving porch, the view of Goose Rocks Beach (one of our picks for the "10 Prettiest Beaches in New England") right across the road, or the great local seafood at TBC's house restaurant. The best part? You've got all weekend to debate it. Named a 2014 NewEngland.com pick for "Best Seaside Inns in New England."
